

INTEGRAL™ element™

January 16th, 2012

Features

Output power: > 1.5 W

Pulse duration: < 10 fs

Power stability: < 0.05 % rms

Peak to peak: < ±0.05 %

(over 24 h, non-stabilized environmental conditions)

FEMTOLASERS Produktions GmbH

is the premiere manufacturer of ultrafast, compact and reliable laser oscillator and amplifier solutions. Founded in 1994 in Vienna, Austria, the company offers products and excellent services which have evolved to be the first choice among OEMs and scientists worldwide for demanding applications and solutions. FEMTOLASERS state-of-the-art products offer technology of highest quality.

**We LIVE in an ULTRAFast world™
join us !**

FEMTOLASERS presents the extension of the famous INTEGRAL™ line, the **INTEGRAL™ element™**.

The INTEGRAL™ element™ takes ultrafast performance and reliability to unprecedented levels, now offering the whole parameter range of the popular FEMTOSOURCE™ fusion™ series in an industrial grade package for ultimate ease of use.

The perfect source for your application, be it industrial, medical or scientific. Never worry about laser performance again.

Taking hands-off ultrafast lasers to a new level.
